

## Chino Hills Champion (CA)

### Walk-run to benefit Let It Be Foundation

Published: May 19, 2007

Chino Valley government leaders and school district officials will **be** among the participants in the 5K Plus Walk-Run today (May 19) at Chino Hills High School. The event will benefit The **Let It Be Foundation**, which provides support to Chino Valley families with children suffering from lifethreatening medical conditions.

The walk-run will begin at 8 a.m. at Chino Hills High, 16150 Pomona Rincon Road, and will end at the school with a pancake breakfast for participants. Several Chino Valley firefighters will **be** among those flipping pancakes, along with Chino Hills High Principal Carl Hampton.

The non-timed walk-run is open to individuals and groups of all ages. Registration fees are \$35 for individuals, \$125 for families (up to five members), and \$30 per person for groups and clubs with 10 or more members. All profits will go directly to The **Let It Be Foundation**.

Runners will start first, then walkers and finally, those in wheelchairs and strollers (jogger-style strollers are recommended for use on the trails). All participants will receive a Tshirt and breakfast following the event. Children 12 and younger will receive participation medals.

The route covers trails and roads in the southern section of Chino Hills and near Chino Hills State Park.

Ruth Rosen of Chino Hills is president of the **foundation**, which she created after her daughter Karla Asch- Rosen died of a brain tumor in February 2006 at the age of 15. The **foundation** was publicly launched in June 2006 and is helping to meet the needs of six Chino Valley families of children with life-threatening illnesses.

Services support and include home maintenance, medical accessories, clothing, school supplies and groceries.

To register for the event or for sponsorship information, visit [www.theletitbefoundation.com](http://www.theletitbefoundation.com) or call 606-6503.
