WICKMAN AND THE LET IT BE FOUNDATION TEAM UP FOR RANDOM ACTS OF KINDNESS WEEK

Chino Hills, CA — Students at Michael G. Wickman Elementary School learned all about sharing, generosity and helping their community as they celebrated the third annual Random Acts of Kindness Week from Feb. 4-8.

Among the activities was a lunchtime lemonade stand, where students were able to purchase cups of lemonade for classmates – or themselves. The lemonade was provided by the Wickman PTO and served by members of The Let It Be Foundation's Junior Advisory Team and Wickman's Student Leadership, and all proceeds went to the organization. The foundation provides support to Chino Valley families with children suffering from life-threatening medical conditions.

"Our Random Acts of Kindness Week was designed to teach children the art of giving to others unconditionally," said PTO President Nancy Vaka. "You can really feel the love when The Let It Be Foundation is here."

During the week, students wrote down and posted their "acts of kindness" on paper hearts in the media center; purchased carnations to give away; and received pencils embossed with the saying, "Wickman Wildcats have Hearts of Gold."

Wickman will also be hosting The Let It Be Foundation's Second Annual "Kids 4 Kids" Community Talent Show in April. For more information, visit www.theletitbefoundation.com or call 909-613-9161.
