This year's show brings together 19 public and private schools along with two performing arts studios to total over 150 student performers.

The talent show will take place on Friday and Saturday night, March 26 and 27, from 6 p.m. to 9 p.m. with different schools performing each night. Participating schools include: Lyle S. Proceeds from the event will fund bedroom makeovers for some of the children being served by the Foundation along with the other program goals of both youth leadership teams. The organization provides monthly support and services to Chino Valley families of children with life-threatening medical conditions – all supported Foundation families will be invited as guests of honor.
