2012 "KIDS 4 KIDS" COMMUNITY TALENT SHOW

OPEN AUDITION INFORMATION

Individual and group acts welcome. All Talent Show participants must attend an Elementary, Jr. High, or High School, public or private, in the Chino Valley or live in the Chino Valley area.

SHOW DESCRIPTION: This Community Talent Show is NOT a competition . it is a celebration of the artistic talent of our youth. During this unique event, children of all ages perform a variety of talents such as dance, music, acting, poetry, public speaking and much more!

The "KIDS 4 KIDS" Community Talent Show is aimed to **warmly unite every school, as one community**, in support of local children with a life-threatening illness. To celebrate talent as one community, we strive to incorporate as many students as possible to represent a variety of schools. Therefore we encourage participation from students throughout the valley.

All proceeds from the event will benefit children diagnosed with a life-threatening medical illness and their families who are currently being supported by The Let It Be Foundation, where we aim to restore a sense of normalcy in the home environment by providing individualized support and services to each family.

Youth Leadership Program Mission: To raise awareness for serious pediatric illnesses through philanthropy, leadership, and interaction with the families we care for, all while inspiring other youth to get involved.
