

The Let It Be Foundation® Jr. Advisory Teams present...

2010 Community Talent Show

OPEN AUDITION INFORMATION

Individual and group acts welcome. All Talent Show participants must attend an Elementary or Jr. High School in the Chino Valley or live in the Chino Valley area.

SHOW DESCRIPTION: To warmly unite every school as one community in support of the children suffering with life-threatening medical conditions. All proceeds from ticket sales and concessions will fund the Junior Advisory Team goals of enhancing the bedrooms of children struggling with life-threatening illnesses all while inspiring other youth to get involved in their communities.

This Community Talent Show is not a competition – it works to promote artistic talents by providing a venue to showcase the work of our youth. During this unique event, children of all ages and grade levels perform dance, music, acting, public speaking, and learn event coordination. This is more than a talent show for kids; it is a community event to raise awareness of our neighboring families all while celebrating the artistic gifts of our children.
